

Our Mission Statement

Preparing each child with knowledge and experiences, so that in God's time, they will build their own personal relationship with God. The foundation for their faith will be laid by using the Bible, God's Word, to explore:

- Who is God the Father, Jesus the Son, and the Holy Spirit?
- What has God done in the past?
- What can God do for you?
- What can you do for God?

Empowering adults to guide our children in their walk with God by providing prayer, praise, encouragement, training, curriculum materials and supplies.

Our Goals

Every child will begin or develop a personal relationship with God.

Every volunteer feels they have made a positive impact on a child's relationship with God and with our church.

That KidsLife will be one of the best hours of a child's week in a place where:

- They can be part of a fun, safe, biblically-based community.
- They can build and strengthen relationships
- They can grow up to be disciples of Christ

Our Values

Child Targeted - to see everything through a child's eyes to create a ministry that reaches, teaches, and loves each child. To meet each child in the environment and culture they live in now.

Intentionally care for each child, to teach them the love of God by modeling what it means to be a Christ follower.

Safety - spiritually, emotionally, and physically.

A fun place that kids want to come to every Sunday.

Relationship building among adults to create a community where they can strengthen their faith by learning more about the Bible and make Jesus smile as they live as examples in our program and in their homes.
