Student Life Ministry of Campus Crusade for Christ

## ERIN TODD'S MINISTRY UPDATES FROM THE LAND OF OZ

Pastor Kirby, Sarah & Jimmy

Introducing...

***I'd like you all to meet the lovely Sarah (aka Chicki). Sarah is a wonderful encouragement to me. Two and half years ago, another STINTER and friend, Kacey, shared the Gospel with Sarah on the Deakin Waterfront campus. Sarah then gave her life to Christ, and just this month, I had the wonderful privilege of attending her baptism. She has such a heart to grow in the Lord and is even considering joining our ministry team with CCCA! Students like Sarah are the reason I am here. These students have an aching for something more that only God can fulfill. I can't wait to spend the year with her and reach others for Christ!***

### KICK'N OFF WITH KICK OFF CAMP!

This last weekend was our Kick Off Camp! The intent of Kick Off was to combine the students who have been committed to Student Life/ Real Life and together plan the upcoming year. It turned out to be a great success. As a staff team we were so encouraged to see so many students come out and really want to take ownership of the movements on their campuses. It was a wonderful weekend of casting vision, and seeing how we could assist these students to accomplish the goals they seek for their campuses. We hope they were able to meet closer with God, seek His will, and take away lessons from our training sessions in community,

Students and Staff team from all four campuses.

evangelism, discipleship, and being grounded in the word. Prayerfully, the weekend provided encouragement and excitement for the students, and they are eager to get started as summer break ends and the school year begins.

### GETTING READY FOR O-WEEK!

The end of this month has been crazy busy preparing for Orientation weeks and club days on the four campuses. Jono and I will be campus coordinators for the two Geelong campuses of Deakin Waterfront and Waurin Ponds. So, these campuses are where most of my updates will be coming from. We are prepping with our key volunteer students in order to make stalls that attract a wide range of

people and really show that Real Life is the Christian club for the non-Christian, open to anyone and willing to address all aspects and walks of life. *(picture: painting display boards for o-week)*

### Prayer Requests

Praise the Lord for bringing in Michelle's visa and support! We are so excited to have her here on the team. And thank the Lord for our house approval! We move in March 3rd!

erin.todd@uscm.org

Pray that the Lord would continue to break our team's hearts even more for the lost Aussie students here. It's so easy to pass others and accept the lie that they are OK. Please pray for our O-week and the students we contact.
