### There: High School Panama Mission Trip

This June a group of 42 students and adult leaders went to the jungles of Panama on a mission trip to preach Christ and share God's love. Through Vacation Bible School we ministered to over 500 children. We also led services in four local churches using drama, testimonies, and preaching. When the invitation to follow Christ was given, at least seven in one church responded for the first time. It was amazing seeing God work through us!

In the end we made it home healthy and happy. The high school ministry would like to thank each and every one of you who supported us through your prayers and generous giving. God used you to reach others through us. We are grateful to have such a supportive church that empowers its youth to experience such amazing trips. To learn more about our trip visit: <http://www.rbcpc.org/highschool/>.
