Outside the Box

Puto externa arca archa That's Latin for "Thinking outside the box." Yes, you can become a part of developing an outreach approach that will truly reflect Jesus' example of touching people who are "outside the box!" Forget boundaries as you brainstorm. Let us know your thoughts and ideas. Wasn't that the approach of the Messiah when He came into Jerusalem on a donkey? It was unexpected, unorthodox, "outside the box." While RBCPC is no longer pursuing 'The Porch', we are committed to reaching out to share the good news in fresh and unexpected ways. What "community" will we touch and how? Thank you for brainstorming with RBCPC outsidethebox@rbcpc.org.
