## Stewardship

Last fall I experienced a roof leak in my home. There wasn't a question in my mind that it needed to be repaired, and quickly, with the threat of additional storms moving into the area. I am fortunate to have had the means to make repairs rather than risk additional damage had it been left undone.

If I am quick to take care of my home, shouldn't I be just as quick to take care of God's house? If I just set aside a few extra dollars a week, maybe the church would have the funds necessary to make needed repairs to the campus. I am asking you to consider making the same commitment of just "a few dollars more." ~Nikki Butera

*The Lantern* is published monthly and communicates the activities, stories and concerns of this church. Please submit all articles electronically by noon on the 20th of each month. Send to [lantern@rbcpc.org](mailto:lantern@rbcpc.org).

God has continued to bless and encourage our church through the mission efforts of our high school students... and Pastors Bruce and Ray will be joining them this summer in Peru! A team of 42 students, volunteer leaders and pastors will head to Ica, Peru June 18 - July 3 to share God's love through work projects, street evangelism, drama and children's ministry.

We will be partnering with Youth With A Mission and the El Sahaddai Church of Ica as we build three homes for poor families in an earthquake-devastated area, minister in 8 different villages through vacation Bible school programs and share the Gospel on the streets with drama and testimony!

Over the years we have seen the lives of our high school students transformed through these trips and have seen them go on to participate in missions in college.
