
About Our Guest Speaker

Kathy Christopher

"I feel like the poster child for God's grace." That pretty much sums up Kathy's take on a life of faith as well as her heart for people. Through teaching, counseling and various leadership roles, Kathy's heart and message always come back to this timeless truth: we are desperate for the grace of God and that grace will change your life. She particularly loves to see people catch a glimpse of God's love and favor, whether that be in a teaching situation or one-on-one.

Kathy and her family have been at Christian Assembly for over 30 years and she has been on staff for 20 of those years. Her current role includes oversight of Women's Opportunities and Partnership (membership classes). She also serves on the Management Team and the church's teaching team. Kathy is a graduate of Fuller Theological Seminary, having earned her Master of Divinity degree.

Kathy's beloved husband of 39 years, Budd, died unexpectedly in early July. He is greatly missed.
